

ASSET-THERMAX Best Ph.D. Thesis AWARD 2025

The Association of Separation Scientists and Technologists (ASSET) was established in 2004 to provide an avenue for Scientists and Engineers to explore many facets of both fundamental and applied research and development in Separation Science and Technology (www.asset.org.in). THERMAX Ltd. is engaged in the business of products related to Energy and Environment including captive and distributed power plants, waste water treatment, ion exchange resins, adsorbents and extractants. (www.thermaxindia.com). THERMAX-ASSET Awards, instituted in 2011, presented annually at the Annual General Body Meeting (AGM) of ASSET or during the SESTEC Symposium.

Nominations are invited for the 15th THERMAX-ASSET Award for the best Ph.D. thesis in the area of separation science and technology. The degree should have been awarded by a recognized institution/ university during the period between January 1, 2024 and December 31, 2025. The award carries a medal, a citation and a cash price of Rs 15,000/- .

Please send the duly filled nomination form along with required documents to Dr. Aishwarya S. Kar, Secretary, ASSET, via email at mailto:asset@gmail.com and the form may be downloaded from www.asset.org.in. Nomination must be accompanied by a copy of the synopsis, a list of publications / patents related to the thesis and reprints of best five publications. ASSET will solely select the awardees as per its norms.

Deadline for submission of nominations is October 31, 2026
